

# NICHOLAS POURFARD

## BOX CHAIR

An occasional hand-built wooden lounge chair with swiveling backrest.

Designed to emphasize linear simplicity, the “Box chair” has an air-like quality that allows you to see through the chair as much as possible. The swiveling backrest and oversized plank seat help create a comfortable and functional place to sit. Built using solid wood with equal dimension in all axes creating a cube that pays homage to the “wassily chair” and Bauhaus emotions.
